

Launch our Libraries

We're renovating two libraries (Downtown opens in July 2011; Main opens in 2013), and building a new library and community center (Mitchell Park opens 2012) here in Palo Alto. We need your help to fill our libraries with all the things that make them work — comfortable, modern furniture, the latest in computer technology, and lots more books, DVDs, and e-books. Please join us as we launch our new libraries into the 21st century!
